

Could you host an Addison's awareness stand for Addison's Disease Day?

29 MAY - #AddisonsDiseaseDay

Mark the day and raise vital awareness of steroid-dependency by setting up an awareness stand in hospitals or medical practices.

DISEASE DAY

BE INSPIRED & GET IN TOUCH

With our support, you can help educate staff, patients and visitors alike by distributing leaflets, sharing your professional experience or talking about your personal experience and signposting people to further information.

On our website, hear from Joanne Brown, Endocrine Clinical Nurse Specialist about her stand at Stockport NHS Hospital.
