

Help us improve sick day/emergency management information for

ADRENAL INSUFFICIENCY

We are developing national UK information resources endorsed by the British Society for Paediatric Endocrinology and Diabetes (BSPED) for children and young people and parents about the sick day management of adrenal insufficiency.

Want to know more or join in?

Scan the QR code to leave your details or email brayl@Edgehill.ac.uk and we will be in touch

We are looking for

- young people aged 10-18 with adrenal insufficiency and
- parents of children of any age with adrenal insufficiency

Join us as an advisor!

No experience needed.

No travel—just a few hours of your time from home.

Help us make better resources for people just like you.
